***American Legion Patchogue Post 269 needs YOUR help  
restoring two WWI Era Cannons.***

There are two M1902 Field Guns located in the Harry T. Hanson Veterans Memorial Park here in Patchogue. They have been in the park since 1922 when the War Department loaned them to the Village of Patchogue for display purposes. There are only 37 or 38 of these guns still in existence. These guns have a historical significance to both the Village of Patchogue and American Legion Post 269.

The Village of Patchogue has asked the American Legion to partner with them in the restoration effort. Given their history in our community, the American Legion has volunteered to provide \$15,000 to pay for half of the restoration cost. The Village of Patchogue will provide the other half of the cost. The restoration should be completed during the summer of this year.

American Legion Patchogue Post 269 is asking for your help and donations to raise the funds required to support this important restoration. Help us enhance our Village Park and our community. Many people who grew up in Patchogue can remember a time when they played on these cannons as a kid.

**Please help American Legion Patchogue Post 269 by donating to our efforts to restore these historic cannons. Donations can be made online at GoFundMe: [www.gofundme.com/restoration-of-m1902-3-field-guns](http://www.gofundme.com/restoration-of-m1902-3-field-guns)**
